43 **10. Current Regulation Projects /review of status and public comments**

44 Chair Wein invited Ms. Norberg to provide an overview/status update on current regulation projects
45 under the purview of the medical board.

46
47 **Project #1: Administration of buprenorphine in emergency/disaster situations**

At the June 3, 2021 meeting, the Board approved emergency regulation changes to 12 AAC 40.943(b) and (c) with the intent to make permanent the proposed amendments regarding the declaration of an emergency, continuation of OUD treatment, documentation, and the definition of emergency. The period for written comments ended on July 19, oral comments/testimony regarding this matter were noticed to occur during today's Board meeting at 12:30 p.m.

Project #2 Reduced contact between remote PAs and primary physician & Removal of redundant review of Pharmacy Board cooperative practice agreements

At the May 27, 2021 meeting, the Board approved proposed changes to 12 AAC 40.430 (i) and 12 AAC 40.983(k) to be public noticed. The intent of the changes are to 1) eliminate the need for direct personal contact between a physician assistant the primary or alternate collaborating physician during the period in which the physician assistant is actively practicing under the collaborative plan; and 2) to remove redundant language with respect to the approval process for cooperative practice agreements between a pharmacist and physician. The comment period for this project closed at 4:30 p.m. on July 29th. The board did not request to allow for oral comments/testimony; one written public comment was received.

On a motion duly made by Ms. Mielke and seconded by Ms. Bigelow Hood, the Board approved by roll call vote to adopt the changes to 12 AAC 40.430 (i) and 12 AAC 40.983(k, as public noticed, considering public comment and there is no additional cost to the public for the proposed regulations.

Roll Call: Yeas, Ms. Bigelow Hood, Dr. Daugherty, Dr. Freeman, Ms. Mielke, Dr. Wein
Absent for Vote: Mr. Boswell and Dr. Parker

As the meeting progressed ahead of schedule, Chair Wein queried the board and by affirmation the decision was made to address Agenda Item # 18 and subsequently some matters from Agenda Item #17 before the lunch break.

12. (Formerly Agenda Item 17) Introduction to ideas for License Application/process streamlining

Chair Wein invited Board staff to introduce this topic. Ms. Norberg and Mr. Alvarado reported that many states have adopted new telemedicine/expedited or temporary licensure types during the COVID-19 Pandemic. Two states in particular, Arizona and Florida have established some processes that if implemented could potentially create efficiencies for applicants and licensing staff in Alaska. Arizona created a new temporary license type in 2017, and Florida added multiple new license types 2019. Examples and details from Arizona and Florida were provided. Chair Wein voiced his support for creating a specialized Telehealth license application and an abbreviated Expert Witness license application and forming a Board work group to address these issues.

13. Lunch Break – the Board recessed for lunch at 11:52 a.m. and reconvened at 12:30 p.m.

14. Public Comment

Chair Wein invited members of the public to address the Board.

Jade King, employee with Wilderness Medical Staffing addressed the Board. WMS is a company that specializes in helping to place locum tenens in remote areas of Alaska. In her testimony, Ms. King advocated to remove the notary requirements on the Physician Assistant Collaborative Plan. The form

1 requires that both the physician assistant and the collaborating physicians' signatures be notarized. This
2 requirement can cause significant delays in the completion of the collaborative plans, which can cause
3 delays and hardships for health care providers in remote areas who are frequently short-staffed and
4 dependent on an agile and itinerant work force.

5 Jennifer Williams with the Tanana Chief Conference addressed the Board. In her testimony, Ms. Williams
6 also voiced support for eliminating the notary requirement for Collaborative Plans, citing that the
7 requirement causes unnecessary delays in dispatching physician assistants in TCC's remote service
8 areas.

9 Recess – the Board took a brief recess from 12:53 p.m. to 12:58 to allow for the Executive Administrator
10 to attempt to contact Board members not present.

11 **Proposed Edits to Physician Assistant Collaborative Plan Form**

12 Chair Wein invited Ms. Norberg to explain proposed edits from board staff regarding the Physician
13 Assistant Collaborative Plan Form. According to 12 AAC 40.410 (a), any changes made to the form must
14 be approved by the Board. The initial temporary suspension of the notary requirement for licensure
15 applications was the result of emergency regulations passed in November 2020. The regulation change
16 was made permanent by the Medical Board in April 2021. The intent of this change was to help
17 streamline the licensure application process during a disaster declaration and to have the optional
18 ability to easily suspend this requirement again in the event of future disasters. After the Governor
19 terminated the disaster declaration in February 2021, board staff resumed requiring notary
20 requirements on all license application forms, including collaborative plans.

21 Per the public feedback indicating an ongoing need to expedite licensure for physician assistants, Board
22 staff recommend that the notary requirement for Collaborative Plan Form and certain required
23 document attachments (deemed as being duplicative) be permanently removed from the Collaborative
24 Plan Form.

25
26 **On a motion duly made by Dr. Wein and seconded by Ms. Bigelow Hood, the Board declined**
27 **by roll call vote to continue to require PA's current NICCPA certificate, PA's DEA Registration**
28 **and the collaborating physician's DEA registration be attached to and to permanently**
29 **reinstate the notary signature requirement on the Physical Assistant Collaborative Plan Form,**
30 **form number 08-4226.**
31

32 Roll Call: Nays, Ms. Bigelow Hood, Dr. Daugherty, Dr. Freeman, Ms. Mielke, Dr. Wein

33 Absent for Vote: Mr. Boswell and Dr. Parker.
34

35 Chair Wein allowed the Executive Administrator to address questions from members of the public
36 regarding the anticipated timeline for implementation for the approved changes to the Collaborative
37 Plan. The changes will go into effect immediately however it may take several weeks for the form
38 posted on the website to reflect the changes.

39 **Current Regulation Projects /review of status and public comments - Continued**

40 After acknowledging no public comments received during the time set for oral public comments for the
41 regulation changes proposed for 12 AAC 40.943(b) and (c), Chair Wein proposed moving forward with a
42 board vote on the proposed changes.
43

1 **On a motion duly made by Dr. Wein, seconded by Dr. Daugherty and approved by roll call**
2 **vote the board adopted the changes to 12 AAC 40.943(b) and (c), as public noticed,**

16 **16. Introduction to Physician Assistant Proposal - Request for Work Group**

17 Chair Wein invited Ms. Norberg to introduce the topic. In follow-up to the Alaska Physician Assistant
18 Association's presentation to the Board at the June 10, 2017 meeting, AKPAA reached out the Executive
19 Director and provided specific draft regulation changes to chapter 12 AAC 40.400 modernize Alaska's
20 regulations that govern scope of practice and collaborative relations to commensurate with current
21 national standards and practices. The establishment of an official Board work group to focus and foster
22 understanding regarding the breadth of the requested changes was proposed. Board members Sarah
23 Bigelow Hood, PA-C and Chair Wein volunteered to be on a work group. It was also suggested that non-
24 present Board member, Steve Parker, may also be interested in being on the work group. Ms. Norberg
25 will follow up with work group members to establish a schedule for meetings and ensure meetings have
26 appropriate public notice.
27
